

All I Need to Know About Life I Learned from a Baby

Excerpted from *Terrific Twos: Orientation to Quality Toddler Care*. Written by Susan Workman, San Juan College, Farmington, New Mexico.

- ✓ If you don't know what it is, put it in your mouth.
 - ✓ It's great to be the center of attention.
 - ✓ Make sure everyone's watching you before you take the really big steps.
 - ✓ Sometimes a hug is all you need.
 - ✓ If you love it, drool on it.
 - ✓ It's OK to need help to stand on your own two feet.
 - ✓ Take a lot of naps.
 - ✓ There's nothing wrong with putting your foot in your mouth.
 - ✓ Spit happens.
 - ✓ Love is all you need.
 - ✓ Laugh a lot.
 - ✓ The world is an amazing place.
 - ✓ You're never too old to need a good cry.
 - ✓ Everyone needs a blankie now and then.
 - ✓ Someone should drop everything the minute you cry.
