

PROVIDER NIGHT

September 16th

The Children's Center

Kamie Blake is an Early Childhood Consultant for The Children's Center. She is the outreach consultant for Southwest Utah. Her role is working in early childhood programs with parents, early childhood care and education providers, directors, and teachers by providing support to young children with Mental Health and Social and Emotional challenges. She provides both consultation and social emotional coaching to teachers and programs working with children birth to age five.

Come hear what Kamie can do for you and your programs and learn about:

Building Positive Teacher-Child Relationships
