ENVISION UTAH - VROOM

BRAIN BUILDING 101: FOR PARENTS & PROVIDERS

BRAIN BUILDING 101

92 percent of brain development happens in the **first five years** of life. During this crucial time, it's up to parents and caregivers to help their children build a learning foundation.

Utah kids need **us** to build their brains.

Do **your** part—come listen and learn for 20 minutes and become a brain-building expert.

 **Envision Utah** How we grow matters.
